How to measure:

Garment measurements are specified in Centimeters

Make sure the garment is flat and straight and avoid pulling in the garment when measuring.

A - Length Front:

Measure from the highest point on the shoulder, straight down to the bottom of the garment.

B - Length Back:

Measure from the highest point on the shoulder, straight down to the bottom of the garment.

C - ½ Chest Width:

Measure straight across the chest from armpit to armpit.

D - ½ Bottom Width:

Measure straight across the bottom of the garment from edge to edge.

E - Sleeve Length:

Measure from the highest point on the shoulder, and follow the shape of the sleeve down to the opening of sleeve.
